The Secretary to the Board,

M a d r a s.

S i r,

Alienation -- Land Puttur Taluk--Sampaje village--S.No.
16/1 (20 cents)--Chatram site--Taluk Board--Puttur--resumption
recommended.

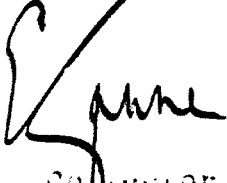

S. No. 16/1 measuring 20 cents in Sampaje village, Puttur Taluk, was alienated in favour of the Taluk Board, Uppinangady (Puttur) in this office Proceedings R.Dis. 4499-21-V-6 dated 2nd August 1921 for the purpose of a chatram. The alienation was free of charge for occupancy right and also free of assessment but subject to the conditions laid down in B.S.O. 24. The plot already contained a chatram at the time of its alienation. Subsequently the chatram along with the site came under the control of the District Board. The information as to when and under what circumstances the plot came to be transferred to the District Board is not available. In or about 1926 the chatram was dismantled and the materials were used for the girls' school building constructed by the Taluk Board at Sulia. Ever since that time the plot is not being utilised for the purpose for which it was alienated. At present it contains only a well. It is not known when and by whom this well was sunk. Both the Taluk Board and the District Board have agreed to the resumption of the plot by the Government without claiming any compensation. I, therefore, recommend that the grant may be resumed.

2. The President, District Board, South Kanara has

✓
applied for the alienation of the site containing the well,
measuring one cent in extent. Necessary action will be take
on this application on receipt of the Board's order.

3. The records of this office R.Dis. 4499-21-7-6 are en-
closed.

your obedient servant,

Collector.
